Investment objective

The Fund is actively managed and based on a concentrated portfolio of 30 to 50 stocks. Its objective is to outperform the MSCI ACWI Net Total Return on a risk-adjusted basis by investing in companies of the highest quality which offer the most compelling potential given fundamental, technical and valuation considerations. The portfolio's exposure is fine-tuned based on the investment team's appraisal of the macroeconomic environment, business cycle and geopolitical context. Various option strategies are used for yield enhancement and hedging purposes.
