Investment objective

The India Equity Fund invests in securities of issuers which have their registered office in, are listed in, or carry out the majority of their economic activities in India. Its objective is to achieve long-term growth by outperforming the MSCI India 10/40 Net Total Return. The fund is structured within a core-satellite model enabling stable returns, yet seeking attractive market opportunities. The core compartment is composed of high-quality companies with stable returns and resilient earnings growth, while the satellite compartment is more opportunistic and contain companies that are expected to benefit from specific cycles and particular investment themes.

Cumulative performance

Monthly performances over 1 year (%)

On the 17th of November 2019, the fund changed its strategy from a fund a funds to a fund that invests directly in listed securities in India. The new strategy was fully implemented on the 31st December 2019.

Investment team

Probus Middle East Limited operates as the investment manager and ensures the smooth flow of operation of the fund. OysterRock, on its side, functions as the investment advisor. The selection of securities is performed using Probus' screening methodology complemented with OysterRock's deep Indian equity knowledge. Investment committees are regularly scheduled with members of both teams deciding on the allocation. This collaboration method allows for an optimal utilization of resources and expertise.
